A joint initiative of the German and South African Earth Science Communities

GeoSynthesis 2011

Conference & Exhibition

To ALL Inkaba yeAfrica Participants and Students

8th Annual Inkaba Workshop

Sunday, 28 August – Friday, 2 September 2011 – CTICC, Cape Town

"Integrating the Earth Sciences"

Presented by:

- SAGA (South African Geophysical Association)
 - GSSA (Geological Society of South Africa)
 - GASA (Geostatistical Association of South Africa)
- in association with**
- Inkaba yeAfrica and
 - ILP (International Lithosphere Program)

For the first time in their history, SAGA, GSSA and GASA will hold a conference in collaboration with ILP and Inkaba yeAfrica to present an integrated earth science *multi-tracked* event in South Africa

This workshop is held literally 9 months after our 7th workshop at GFZ-Potsdam in Germany, 1 - 5 November 2010. With now only approx. 5 months left, please note the following:
